Cyclone Power Technologies' Business Officer Featured on StockGoodies.com

Pompano Beach, FL, Sept. 2, 2010. [Cyclone Power Technologies](http://www.cyclonepower.com) (Pink Sheets: CYPW) announced that Executive Vice President and General Counsel Christopher Nelson will be the featured guest interview on StockGoodies.com Radio. Mr. Nelson will be discussing the company's modern steam engine technology, as well as future business plans and prospects for its commercialization.

The interview will be held today, September 2, at 8:00p.m. EDT, and can be heard at <http://www.blogtalkradio.com/stockgoodies>. An archived version will also be available on the homepage of www.StockGoodies.com.

ABOUT STOCKGOODIES

StockGoodies is a leading publisher of news, perspective, and marketing intelligence on all forms of equity trading: pennies, micro-cap, mid and large cap and options. The company's vision is to empower self-directed investors by narrowing the gap between individual traders and professionals.

Corporate Profile

Cyclone Power Technologies is the developer of the award-winning [Cyclone Engine](http://www.cyclonepower.com) - an eco-friendly external combustion engine with the power and versatility to run everything from portable electric generators and garden equipment to cars, trucks and locomotives. Invented by company founder and [CEO Harry Schoell](http://www.cyclonepower.com), the patented Cyclone Engine is a modern day steam engine, ingeniously designed to achieve high thermal efficiencies through a compact heat-regenerative process, and to run on virtually any fuel - including bio-diesels, syngas or solar - while emitting fewer greenhouse gases and irritating pollutants into the air. Currently in its late stages of development, the Cyclone Engine was recognized by Popular Science Magazine as the Invention of the Year for 2008, and was presented with the Society of Automotive Engineers' AEI Tech Award in 2006 and 2008. Additionally, Cyclone was recently named Environmental Business of the Year by the Broward County Environmental Protection Department. For more information, visit www.cyclonepower.com.
